

lost female husky

Location **Arizona** https://www.genclassifieds.com/x-262259-z

My female husky got loose while I had her in my backyard for literally 10 mins while I cleaned out the house she took off down the alley and I went out after her in my car but then lost her:/...she has a red collar and is white and brown with blue eyes ..she is shy and runs fast! She is verry missed if u spot her running anywhere please email me or txt me at
