Developing a 50's 60's "SOCK HOP" and COUNTRY power Trio for corporate and public performances. We would also like to develop a CASINO Act and are open to classic STANDARDS, light JAZZ, 70's & 80's SOFT ROCK for LOUNGE work as we mature. We are two male musicians who have guitar, keys and bass covered who are NOT sequencing and are looking for female lead and backup vocalist to become eventually as versatile as we commonly wish to achieve . Playing an instrument is considered a bonus, and the ear for harmony a real blessing. We expect your age to fall between 35 and 55 for a best fit based on the material and target audience.

We are aggressive about playing out as often as possible and have a showcase to prepare for. We are, however, open to pursue your material if it serves our common effort and capabilities. Sound tracks, videos, pix and a phone call will answer lots of mutual questions; WE CAN PROVIDE THE SAME. Contact me to get the web-site to visit that has audio tracks of recent rehearsals. We will rehearse out of central Mesa (Brown and Val Vista)

Contact George thru CL email or call the number provide in the reply box -- PLEASE, I have a dumb phone so I don't get emails except at the computer. CALL ME . . .
