Sweet 8mth old Shepherd mix, very very sweet. Needs a forever home. We got her a few weeks ago and then found out that our lease did not state the correct info and we are having to give her up. She is partially house trained. I will not lie and say she has no accidents because she does. Loves kids. Has shown NO aggressive behavior to my two kids, 11 and 6. I do believe she has been abused at some point in her life as she cowers and tucks her tail when you simply state naughty girl in a low tone if she urinates on the floor. She may have an underlining medical condition that involves her bladder. She usually pees right by front door. So i know she wants to make it to outside. I do try to take her out several times a day to prevent it. Which DOES help. She needs someone to cuddle and she needs space to run outside. She doesn't mind a lead, which i have to use because of GA's leash laws. She has had several owners and needs someone forever!!!! Also, she is super smart and learns extremely easy. She sits, gives paw, lays down, follows direction if you tell her to lay in one certain spot. I taught her to sit while i put a leash on her in one day. (Also her original name was Scarlet, so she answers to both Bella and Scarlet.) Call Monica at
