Hi, I am looking for someone to care for my two kids 3 to 4 days a week in my home. My husband and I are needing to get back to the gym and I have not found a Gym that has childcare suitable to our budget. Like I said its three to four days a week. Mon-Fri only. My daughter is 6 and my son is 11. It would include ONLY baby sitting. No housework or meals needed. I will feed and fix a snack before I leave. Times will be from 6pm to 8pm. I cannot afford an hourly rate. I am looking to only spend \$15.00 per day. (If you can do for less then GREAT!) They are currently home schooled, so they spend most of their day working through their school work. So watching tv is fine or they also enjoy playing on their computers. I don't need someone to teach or do activities (thats what I do!). Just someone safe who can keep an eye out so they are not.
