Hello Parents,

I'm currently offering hourly, day or night part or full time child care at my house.

I just moved to the area few months ago and want to continue doing what I like, which is working with kids 6 weeks -5 years old .

I have plenty of experience working with children all ages, I have previously worked in daycare facilities as well as my own child care home. I offer a safe, clean and smoke free environment. Children will enjoy being at my house, have fun and learn at the same time, I'm responsible, reliable and I really enjoy teaching and interacting with children. I'm available part or full time, my schedule is pretty flexible.

For more information or if interested you can call or text me.
