Hello, We are now taking on new clients for your Upholstery Needs. Currently due to space in our workshop we have to limit ourself to Side Chairs, Sitting Chairs, Rockers, Wingbacks, Ottomans, Benches, Pop Out Cushions, and such. We aren't able to do full size couches yet.

Check us out on Facebook under: Reclaimed Furniture and Antiques

We are only able to do household upholstery items only! We strive for a quick turnaround time.

We offer reasonable prices. Please let us have the opportunity to provide you a free estimate. If possible please send include a picture and measurements of the item you are inquiring about so we can accurately figure an estimate for you. We currently do not have fabric in stock, fabric must be purchased separately however we will help you figure up how much you will need for each piece.

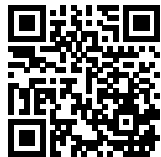

We do offer pick-up and delivery for \$15 in Rogers/Bentonville/Bella Vista Area and \$25 for all other areas within Benton County. Other areas are negotiable.
