i'm just a man that doesn't mine taking care of my lady. You can work if you choose to do so, however I don't mine if you choose to stay at home. I am in fact looking for a "live in" girlfriend, but the connection must be genuine. I am an intellectual with a good sense of humor. But enough said. If you want to know more hit me up, as I will patiently wait for my lady. It's only too good to be true if you don't give it a try. Respond with a pic and I'll send one back. No pic, no reply.
i live in a one bed room
