About me. 32 year old, single, straight, white male. No kids, no pets, but would like a dog in the future. No job, SSDI income. Quiet, clean, and responsible. A homebody for the most part. I am 420 and adult beverage friendly.

Looking for a private room to rent that includes all utilities/Internet access. Please no smoking inside household. Pets are fine, no children. Close to public transportation a plus, although I own a car.

Looking for long term solution. I am in no rush as my current living arrangement does not have to change until April.

References available upon request. Not looking to waste anyone's.
