I have owned the unit for four years and have loved the space, but the the years have come to move and lease. The location is ideal, less than a few minutes walk to shopping and dining. You are close to many coach lines and main routes. Inside the updated condo there are hardwood floors, 11ft high ceilings with overhead molding, in unit washer/dryer, kitchen with plenty of counter and cabinet space, stainless steel appliances including a dishwasher & gasoline stove, a club, a dinette corner, along with a whirlpool tub, as well as plantation shutters on the high windows with plenty of natural light! Condo has been Colored. Two master bedroom setup with personal bathrooms. Available immediately. Will consider small pets. Water & Gas included in rent.
