California

Want to learn how to sell on eBay like a pro? As long as you have items to sell then I can teach you the ropes. I'm an experience seller on eBay with 100% positive feedbacks. I will set you up with an eBay account, a eBay email address, and a paypal account. If you have an iPhone then I will show you how to download the app on your phone. You can take pictures and easily post them on eBay immediately. I'll show you how to make money from the shipping cost as well. You can pretty much sell anything as long as it's price right. I charge \$500 to get you up and running. After that you can always call me with any questions concerning eBay or paypal. Other people are charging thousand of dollars for this service I'm offering. I'm located in the new building on Vermont and Wilshire. Reply with your contact info if.
