Hello,

If you're looking for modeling experience and exposure, two models are needed for an upcoming fashion show that Santa Rosa Junior College fashion students will be putting on in April. I have two garments that I would like represented.

I am looking for two female models that are 5'6" or taller to model evening wear.

Please include a head shot and full body photo along with your name, height, and contact info.

Please be committed to show up for fittings and fashion show.

Unfortunately as a fashion student I will not be able to offer monetary payment but I can make mean cupcakes and cookies:d Yes, I believe models should eat;)

Thank you for viewing my post and I look forward to hearing from you ladies:)
