If you have had a heart attack or stroke and have diabetes or high cholesterol you may qualify to be in one of our research studies of investigational treatments.

Our studies may involve any of the following:

- Physical exams,
- ECG
- Blood draws
- Number of office visits to our medical office varies per study
- Compensation is typically \$50 per completed visit

At Providence Clinical Research, our study participants receive study related care, diagnostic tests, and study medication at no cost. Compensation for time and travel to the study center is usually provided.

For more information about the study, please contact Carlos at or (877) WELL DAY.

Or see more info on our website: <http://www.ProvidenceClinicalResearch.com>
