9 pit bull puppies from gentle mother and father (here to meet you) need new loving families! They will be 8 weeks on Tuesday and ready to be rehomed. These pups are not inbred and we are not breeders, just some lucky dog lovers who were blessed with an enormous litter of gorgeous white, white with brown spots and one black pup. they will go fast but, only to people who we feel won't abuse, neglect or mistreat these precious pups in any way. There is a 200 rehomed fee or 2 pups (we believe in the buddy system with all pets) for 300. Please call or text anytime to set up an appointment. Thank.
