

audio program (midlothian)

Location **Virginia**
<https://www.genclassifieds.com/x-266037-z>

I need someone to make me a audio program for my robot. I want to be able to push a button on my laptop with different phrases and have robot say them...I have soundboards but i want it to be in robot voice if that makes sense.... Feel free to call me

Kevin This is my robot... www.midlobots
