Hi! My name is Stacy and I currently have 2 openings for full time/day shift child care starting Immediately. I am located in the Cane Ridge/Antioch areas. I have 15 years experience in child care and 10 years experience in the medical field. Being a mother myself I know how it is to struggle with the cost of decent child care and to worry about if your child is ok while your at work. I want to provide your child with the best care possible at a rate you can afford. My home is smoke and pet free and I am CPR and First Aid certified. I provide all meals and snacks for my children. I also have many crafts and learning activities that I do with the children daily to keep them learning and having fun. I would love the opportunity to meet you and your little.
