My name is Stacy and I am the mother of four children. I provide loving, family oriented, in home child care. I have 1 opening for day shift child care starting Immediately. I provide 2 meals daily for my children (Breakfast and Lunch) as well as 2 snacks. I have 15 years experience in child care and 10 years experience in the medical field. I am CPR and First Aide certified. I pride myself in providing your children with a safe, smoke and pet free environment where they can play and learn with others. The children will participate in learning activities and crafts. For more details about the care that I can offer to you and your child please call or email me. My rates as well as references will also be provided to you upon.
