If you're in need of a pet sitter, I'm the one for you! I have many years experience working with animals as I have worked for vet clinics, boarding kennels, animals shelters, and even for a professional pet sitting company. I can provide my resume and/or professional references if requested. Prices are open to negotiation. I am willing to service in Waukesha, Milwaukee, and Ozaukee County towns. Please respond to this ad if interested or have any questions :)

FYI, I do not do pet sitting in my home, rather I can come to your house to stop by a couple times a day or spend the night if!
