Hi, My name is Tawni. I am a State Licensed childcare provider here in South Jordan. I currently have openings for infants, toddlers, preschoolers, or school-age children. I offer a variety of fun and educational activities as well as healthy meals and snacks for the children throughout the day. We have a great group of kids right now and look forward to adding a couple more. I have "many" years of experience and truly enjoy what I do. I'm young at heart and am a fun-loving mother and provider. I'm open and easy to work with and understand the concerns of working parents. Please give me a call anytime or send me a text at You can also try my home phone # at Please leave a message if no answer. I look forward to meeting you!
