I love being with children and would like to find a family or parent who might need a truly wonderful nanny to care for their children. I have worked with children for many years as a Preschool Teacher, a Teacher's Assistant, an Art Teacher and a Nanny. I have great references, am very reliable and very caring and good with children. I am available full time weekdays in my home. I live near the U of U and the Avenues. I am also an artist and love doing wonderful, creative projects with children as well as reading books, going for walks, going to the park to feed the ducks, going to the library, for story hour, learning and talking, playing and just having fun. Also, have reliable transportation and can start at any time.

Here are my art websites if you'd like to see the beautiful art that I do and learn a little more about me:

I would be happy to send you my resume and references if you're interested.

Thank.
