Perfect for your vintage man cave or bar decor! Three vintage beer trays (each measures 12 inches across) and one square Pilsner beer sign. Good old advertising for "New York's Famous Knickerbocker Beer" and "Duquesne Pilsener Beer" (Pittsburgh, PA) and "Teck Golden Pilsener Beer."

The square sign can be either hung up or stood up (see pictures). The square sign is 13 inches tall and 10-1/2 inches wide. Great gift for the beer love who has everything.
