

NEW LIFE (PHOENIX)

Location **Arizona** https://www.genclassifieds.com/x-266300-z

You need a new: LIFE, FAMILY, CITY AND JOB?

Everybody needs a Daddy/Mentor to guide them. I can give you a fresh start in life tomorrow.

Perhaps you're a mess, struggling to pay the rent, manage life's up and downs, looking for somebody to love you but everyone keeps using you for free and then moving on when you no longer fit into their equation. Relationships 50/50 don't work, look at the divorce rate.

I will get your life straightened out, but what I need is 100% authority. Follow my lead and you will see how your life will improve in every aspect. Send me photos that show me you're interested in a new.
