

Dance Instructor(s) (Post Road)

Location Alaska https://www.genclassifieds.com/x-266403-z

Looking for dance instructor(s). I have a nice area (1500 SF) in our office downtown Anchorage where we would like to arrange weekly or bi-weekly dance instruction for 3-5 couples. Could expand to more as interest grows. Looking for a variety of instruction from Country, ballroom to line dancing. We have a nice sound system and prefer that you have your music on an apple device because we have an Apple TV hooked up to the sound system and that would make it easy for you to control. Please contact me with any interest and your hourly pricing. I would expect that we would have 2-3 hour sessions. Thanks in!
