

Ski InOut Estate Park CityVail (glen park)

Location

California

<https://www.genclassifieds.com/x-266581-z>

This exquisite Colony home currently under construction is located on 6.57 acres with a unique "roof top" ski in ski out feature. Accessed by the Winter Way ski trail and conveniently located between the Day Break and Dreamscape chairlifts at the Canyons. This custom home has 7,768 sq. feet with 5 bedrooms , 7 baths and over 2000 sq. feet of outdoor decks and covered patios with a large 3 car garage. Enjoy custom mountain top living at it's finest with its inviting and open floor plan whether you are entertaining or relaxing with family and friends. The home features a large open great room, dining room and kitchen with spectacular mountain range and valley views you could never have imagined. The use of radiant heat, wood floors, stone and steel create a modern yet warm and inviting home you always dreamed of. Large gourmet kitchen with Wolf appliances and high end finishes that one would expect will complete this must see.
