The Bagger admits: "Well, maybe I'm wrong...it doesn't happen often."

Dude, you're wrong everyday. Your ASSumptions on the board about folks you've never met are ludicrous and only indicate a deeply flawed and insecure character. (Why else the pitiful daily attempts to prove your 'superiority'.)

And ain't it funny how you flail away your pitiful little tool -- the gay hammer -- guess when you have such a limited tool kit all of your problems start looking like nails.

News flash dude -- a lot of us ain't that 'liberal', we're straight and we work for a living. (Can't help but notice that you seem to have a lot of time to post during 'work hours'.)

We just don't like self-righteous little 'American Taliban' wannabe's like you.
