Hey there! I'm looking for a laid-back, responsible roommate to share my 2 bedroom, 1 bath apartment. The apartment complex is Strawberry Lane Apartments, if you want to check out the area/complex first. \$650 covers rent, utilities, and internet (but it's not unlimited- if you're a gamer or stream a lot of video we might need to discuss additional internet usage & \$\$). I'd prefer that you get on the lease- it ends 4/30/15 so it's not a huge commitment and at that point we'd be able to determine if we're going to re-sign, part ways, etc. :)

About me: I'm a 33 year old woman. I work a lot of hours Mon-Fri, and on the weekends I am generally pretty low-key. I don't have any pets (I love animals and I'm okay with you having a pet as long as they aren't destructive and you're willing to pay the additional pet rent- I think it's \$20.) I like to read, watch movies, hike/camp in the summer, sing (I do it a lot, fair warning!), and probably several other details that just aren't coming to me at the moment.

If you're interested in seeing the apartment and meeting with me to see if we'd be compatible roomies, feel free to email, call, or text . Due to my work schedule, a text will probably get you the fastest initial response. Take care and happy apartment! :)
