Licensed, Professional Computer Repair Álaska Binary 967 (Wasilla)

Location Alaska https://www.genclassifieds.com/x-266757-z

Hello, I am Randy, the owner and operator of Alaska Binary - a licensed computer services and repair business.

I offer computer services and repairs at \$40 per hour, with no hidden fee, a free estimate, and a work guarantee -- If I cannot fix it, you do not pay for any of the time spent.

Why you should bring your computer to Alaska Binary:

I am a knowledgeable and experienced professional.

I've been solving computer problems for the last 7+ years.

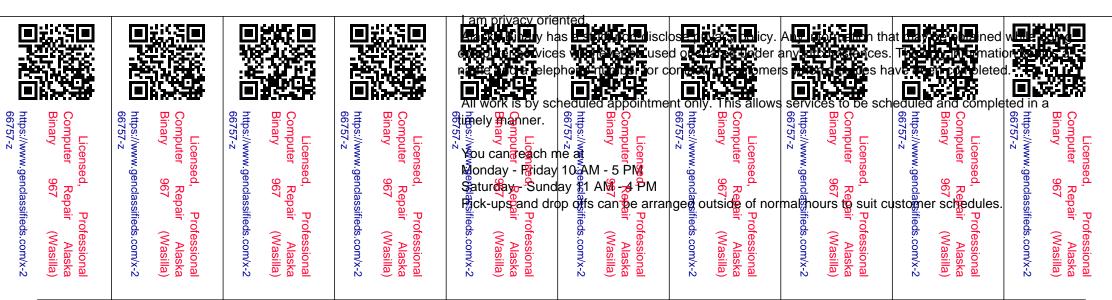

I specialize in malware and virus removal, as well as hardware and software diagnostics and repair.

I am quick.

Alaska Binary provides speedy computer services with most services and repairs being completed same day, or overnight.

I am affordable.

I charge \$40 per hour, taxes included. There will never be a hidden charge, or nasty surprise. All my work comes with satisfaction and completion guaranteed. As stated all work comes with free estimate.

Sincerely, Randy G Owner
