

## 2000 Dodge Stratus (600 USD)

Location **Connecticut**

Dodge Stratus for sale. Runs - but would be better for parts or fixer upper for someone handy. It is silver. Has some rust/rot mostly under rear doors - typical with Stratus cars in New England. Never had many problems with it at all. Never broke down in 7 years we had it. Not running 100% and has seen better days. Only has about 129,000 miles on motor. If you have a Stratus and need some parts this may be a good find for you.

### Main Issues:

Rust/Rot in some areas. Ignition sticks but not all the time. Sometimes the key is hard to turn over. Sometimes it is not. Battery is weak in winter. Last driven regularly about 2 months ago. Was running but started hesitating a bit. Could just need a tune up but we decided to sell and buy something newer. Probably time for a timing belt change. Power steering sticks when cold it is sometimes hard to turn before warming.
