Hi, I'm looking for a small breed puppy. Not really picky on breed but prefer a female. I do have another dog whom is healthy up to date on shots and gets along with just about every kind of animal. I'm willing to pay a rehoming fee but am not looking to spend a lot of money considering I'll have to spend it on my new puppy. If anyone has a small puppy they are killing to rehome for a small amount or for free, under a year old please give me an email. Thank you in.
