I have a 9 week old blue-nose brindle pitbull named KOKO. She needs is looking to be adopted. I have had her for about two weeks. There has been a change in living arrangements and she is no longer able to stay on apartment property. She dosent have her shots yet. She is still young and it isn't too late to get them. There is a small rehoming fee for about \$50.00. She comes with her food and her bed as well as her food bowls . Again i would love for koko to go to a great home .for.... any question or concerns please call nikki at
