We are researchers at the University of California, San Francisco looking for healthy women between the ages of 20 and 45 years to be a part of our study on biological differences in responses to thinking and feeling.

The first part of our study is 30-minute online questionnaire that you complete at home. The second part of our study is a 1.5 hour lab visit to our facilities at the Laurel Heights campus of UCSF. Compensation is a \$50 Visa gift card upon completion of the study.

During the study, you will play several computer games, complete questionnaires and interact with the study staff. You will also have several non-invasive sensors placed on your body to measure things like blood pressure and heart rate. You will also provide saliva samples, so we can measure various levels of hormones.

To be eligible for this study, you must:

- \*\* Be female
- \*\* Be between ages 20 and 45 years old
- \*\* Be able to read and speak English.

If you are interested or would like to receive more information, please send the following information to the email: . Your eligibility will be determined through a follow-up email.

- 1) Name
- 2) Gender
- 3) Age
