

FOUND Grey amp White neutered male cat. VERY friendly (concord pleasant hill mar

Location **California**
<https://www.genclassifieds.com/x-267087-z>

FOUND Grey & White neutered male cat. He is super friendly and personable. Definitely not a stray and I'm sure someone is missing this little love bug. I have been told he has been spotted around our area for a few weeks now (Pleasant Hill off of Taylor). Please contact me if he is.
