Hi, how are you, we are a married couple that enjoys photographing erotic photography. We have experience in photographing the following:

Weddings  
Portraits  
Couples  
Parties

My wife has experience not only behind the camera, but as a model for me in front of the camera, she has done both roles in the past.

We are very good people with an eye for erotic and sensual photography. We photograph woman, men and couples, we enjoy all aspects of erotic photography. If you are looking for an open minded photographer, please email my wife and I, thank you for your time.  
(our work can be viewed upon request)
