

Experienced Wireless Alarm installer needed ASAP Great Pay (Philly)

Location **Delaware**
<https://www.genclassifieds.com/x-267205-z>

Nationwide leader in Residential Home Security is Very busy NOW and in need of more Alarm Installers in the entire state of Delaware Immediately!!!

Must have alarm installation experience!

We are not just looking for your normal alarm tech, to show up and install the alarm system. We are looking for someone who is a different breed then the norm. WE want someone who is more customer service oriented, who can help fight for the deal if need be, and help build the value of the system at the door with the customer, along with making them feel good about the system that has been designed for them, and about going with our company.

Typically we are looking for someone who has Honeywell Wireless alarm installation experience or equivalent. If you have experience installing Alarm System then please apply.

If you feel you have what it takes, and can do this job, then please do not hesitate, and send us your resume now via email. OR for quicker response please call to speak with our recruiting director NOW!!!
