I am looking for an attractive woman to watch me work out twice a week. No sex, we don't even have to talk if you don't want to, I just want your sex appeal for me to stare at (8% harder workout while eyeing an attractive woman)

I work out at Planet Fitness and will cover your way in plus pay you \$50 an hour though I normally don't go over an hour at a time. I work out 2x a week normally late afternoons say 5-6 though I have flexibility for the right woman.

I am looking for a fit woman. Flat stomach, tight ass, open to breasts size. You need to be comfortable in a sports bra and tight shorts. No I am not looking for your parts to hang out of anything but for fitting clothes per say. You can read a book or listen to music or work out around me but my intention is for you to be easily with in my sight.

As odd as this may seem it has worked for me in the past and has provided better overall results than anything I've done before.

Nashville Predators got the 9th win in a row setting a franchise record Sunday. I could give a sh#* less about foot ball.

Please send pics showing your figure. You can be married or single I don't mind. I'm not after sex with
