Are you ready to learn how to play the piano?

The Avalon School & Music Center is part of the largest private music school in the state of Florida with an active enrollment of over 800 students. More music students take lessons here than at any other school in Central FL. We are involved in our community and family run/operated since 2003

Take lessons at an actual professional school of music instead of someone's home!

Our piano teachers teach a variety of styles from classical to popular music. Whether you want to learn Bach or Alicia Keys, our teachers are happy to help you become the pianist you want to be. Our piano faculty will show you the fundamentals of sight reading, technique and theory, but they will also incorporate your favorite songs into your lessons. You do not have to have a piano at home to take lessons. A simple full size electronic keyboard will suffice for the first 6-12 months. Our piano teachers have warm personalities and enjoy sharing their love for the piano with you.

## FREQUENTLY ASKED QUESTIONS:

### WHAT DO YOU LEARN IN YOUR MUSIC LESSONS?

That question is often asked by prospective students. Our teachers make it a priority to get to know you on a personal level and to become familiar with your personal musical needs and goals.

We do not treat every student the same. We find out what you want to learn.

Even if you are old hand, your first guitar lesson will have a very different need than a 7 year old taking up piano for the 2nd time after having had lessons as a child.

The main reason to choose our school as your music lesson provider, is that we are sensitive to the fact that every student is an individual.

If you enroll here for lessons, we will work with you to make a plan that will fit your needs and musical preferences. At the first lesson your teacher will ask you about your favorite type of music, and set goals
