I have done several private car deliveries in the past six months and can use some more as well.

I will drive your vehicle to any of the lower continental 48 states cost will vary.

Costs involved are gas, tolls, if any, food and drink, lodging, if needed and transportation back which could be plane or train.

I save all receipts when job completed so you can see them.

-I have a safe driving record and can drive automatic transmission or stick shift transmission.

Also have references if needed.

Call for approximate quote anytime seven days a week from 8 AM to 8
