Raves from My Customers I have 5 reviews on my Rover profile. Check out what these customers had to say: "Clara took excellent care of my pitbull for 16 days while I was out of the country. They are extremely loyal to her as she is to them. She takes wonderful care of them and communicates with them constantly. Any dog owner would be very fortunate and lucky to have Stephanie watch their dog. She will treat them as her own while in her care!!" --Marit W. " I have known Clara for about 15 years. In that time Clara has always owned at least one dog. Clara is very loving and takes great care of her dogs - she treats them like one of her children! Clara is a very responsible and caring dog lover. Here dogs receive the utmost in care and dedication to their well-being. She volunteers quite frequently at the North Shore Animal League because she has a deep affinity for dogs. I believe that Clara would make an excellent dog sitter and a great companion due to her nurturing personality. "Luis L. . To read more of my customer reviews, <http://petsitterbooking.com/Clara\R>
