JP Gardening is a registered horticulture oriented garden service specializing in professional maintenance and restoration of perennial beds in residential and business areas which includes fall and spring clean up, weed removal and/or management, pruning, dead-heading, planting/transplanting, mulching, hedge trimming, chemical treatments, biweekly maintenance, gutter cleaning and more.

* If you can, I encourage you to text or email me some pictures of the gardens/projects (no need to worry about photo quality; a general idea is all I'll need).

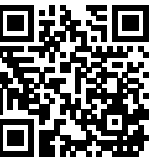

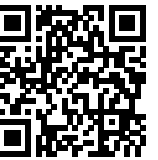

- This will place your request at the top of the list and is the fastest way I can provide an estimate and get the project scheduled.

* Call/text or email me. For more information and pictures, visit www.JPGardening.com You can view the portfolio on the website and see examples of the differences our work has made in so many parts of Omaha.

* Free Estimates

*10% Senior Discount

* \$5 Chemical Treatments
