Whether you need full attorney representation or "Do It Yourself" support, we offer a modern and innovative approach for all family law clients with creative fee structures and representation options.

We offer two types of Family Law Services: 1) Our Full Service program is for clients who need full attorney representation in their family law matter. 2) Our Self Service program is designed for clients who prefer to direct their own case and need our legal staff for support and advice, which can help cut down on legal fees when full representation is simply not an option.
