2005 Subaru Legacy sedan. Pictures are from google, but thats what the vehicle looks like. It has 170k which most of them are highway miles driving daily from Iowa to Omaha. Has always been maintained at Stan Olsen Subaru. It has a couple dings here and there but its a 10 year old vehicle. It is a 5 speed manual transmission which shifts nice and smooth. Give me a call or a text at No low offers and serious inquires only. I do not need help selling and please no scammers. Im not stupid and no trades. Also has a clean title
Thank
