Are you in need of a part-time Bookkeeper/Accountant? In these trying times, why hire full-time if you don't need to. I have 20+ years experience in bookkeeping, payroll & payroll taxes, A/R, A/P, financial statements, tax returns & office management. I will come to your office for an hour or for the day. I can also do the work from my home office. I will keep your accounting current for your CPA. All he/she will have to do at year end is drop your numbers into their computer program. References provided. Please, serious inquiries.
