

# Eat Ice Cream for Breakfast

Location **Minnesota**  
<https://www.genclassifieds.com/x-267918-z>

International Eat Ice Cream for Breakfast Day is February 18. We honor all children who have fought or who are fighting a battle with cancer, because kids get cancer too.

You can join us by eating ice cream for breakfast on February 18 and posting a picture of you eating it and telling us who you are eating for. EVERYONE is invited!
