

# I own a kiosk and am looking for a owner operator (Central Oahu)

Location **Hawaii**  
<https://www.genclassifieds.com/x-267955-z>

I own a kiosk that is currently making a reasonable amount of sales

I am looking for someone to co-own and share the net profits, while taking care of the responsibilities  
 As a co-owner you would have to be an owner operator (if you hire help there pay comes out of your share until you've put a fair amount into the business)  
 They would have to run the business from top to bottom.  
 Picking up inventory, managing inventory at the kiosk

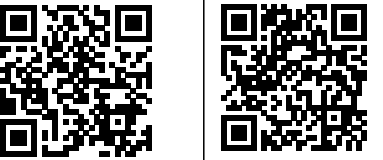

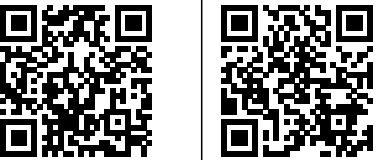

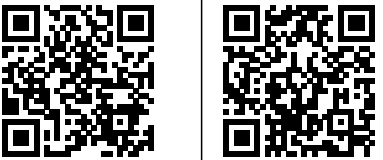

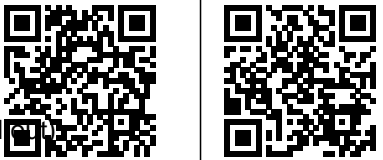

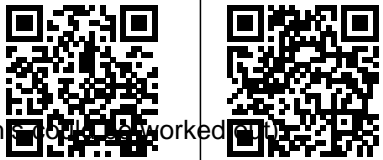

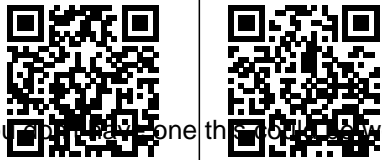

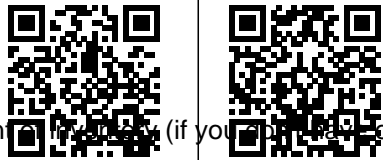

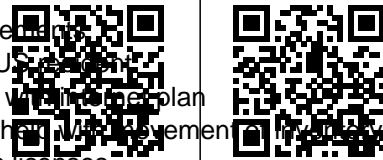

If you have experience working at a kioks, but have never had funds to open your own kiosk, this would be a great opportunity.

I am looking for a sales person, not a baby sitter. If you're not comfortable talking to random strangers, this is NOT the opportunity for you. If you're capable of sales similar to style done with curling irons, at Ala Moana mall, this is very similar.

The place is open 7 days a week  
 Mon-Sat 9am to 6pm  
 Sun 9am to 5pm

If you have capital to invest to purchase your share that would be great, if not we can workout a payment plan as well.

based on net profits of the business, if you work it yourself, you could very well earn above 3k for your pocket

<https://www.genclassifieds.com/x-267955-z>

require a valid legal US driver's license  
 phone with internet plan  
 car to help with movement of inventory (if you don't have one then you can work out a payment plan)  
 Drivers licenses  
**EXCELLENT SALES ABILITY** (similar to those found at cosmetic curling iron kiosk)  
 If your interested please send:  
 Resume  
 Background info on yourself (Married? Kids? How long have you been in Hawaii, short and long term goals)
