

Painter needed (punchbowl)

Location **Hawaii** https://www.genclassifieds.com/x-267958-z

I need help with painting in and around the house - if satisfied, I will need more help with other home maintenance kind of work. I can pick you up and drop you off. I am near Punchbowl and Pali Hwy in Honolulu. Pay is 13\$/hr. Please include your phone number.

It's an easy job, I will supervise. Refreshment, drinks, food is included. Just serious offers, I do apologize but I am not into too long email exchanges and unclear messaging..
