

Newborn Models for Photo Shoots (Crystal Lake)

Location **Illinois**

I have a photography studio in Crystal Lake and I offer a variety of photo sessions for newborns and children. I am interested in adding more mini sessions to my session offerings. I would like some newborn models so that I can get a feel for how I can design and implement a new newborn mini session package (I currently offer longer newborn sessions).

I would be interested in photographing newborns (up to 14 days old) for these photo shoots.

Compensation can either be \$25 per hour or a digital image from the session. I anticipate the session to take about an hour.

Please contact me with any questions. You can also check out my website and FB page for more information on my photography.
