

# WIN LAND IN ALASKA

Location

**Vermont**<https://www.genclassifieds.com/x-279268-z>**MAJOR NETWORK NOW CASTING!!**

The Producers of Naked and Afraid are seeking families who have dreamed of picking up an moving off of the grid for a BRAND NEW SHOW! If you and your family love the outdoors and have survival skills but never had the means or opportunity to really make this dream a reality, now is your chance. You and your family could live in the wilderness of Alaska and learn first hand from a family who made this dream their reality and have lived off the grid successfully for the past nine years. This uber survival family will teach you everything you need to know to not only survive but thrive! You'll learn everything from living off the land, hunting and fishing to building your own log cabin. At the end of your three months in the Alaskan wild with them, if you've succeeded at this wilderness lifestyle you'll be given your own plot of land to begin your very own dream life... off of the grid and into the wild.

Send your name, age, phone number, email, and pix of your.
