

# came from houston, stuck in (laramie)

Location **Wyoming**  
<https://www.genclassifieds.com/x-279280-z>

Hello, I'm stuck in Laramie, Wyoming and I've never been here before. I've exhausted all of my affordable options, and would just really like to make it anywhere in Oregon or Washington.

I have money for gas and food. Please help me before the airport shuts down and I'm out in the cold..
