I am 30 years old. I am not a smoker. I do not look at this as just a job, but as something I love to do!! I have been in child care for about 10 years now. I have run day care out of my home and I have also worked in child care facilities. I was a nanny to a wonderful family for a year and a half before they moved to Pueblo for a new job opportunity. I just moved here to Cheyenne !! I am a mother of four wonderful kids. Three of them are school age..My youngest is six months old... I am looking for a few kiddos to watch out of my home.I have experience for children of all ages; I have extensive time in my field with a substantial amount of experience with newborn babies thru school age children.

I love children and helping with teaching them new and everyday learning. I'm very loving and caring and will treat your little one as one of my own. I have a fun loving personality that can be goofy at times that kids love, but also responsible to ensure safety and a fun and safe learning environment. I also very dependable, honest, loving and caring! I enjoy arts and crafts, singing, dancing, learning and teaching!! I have open availability. As far as my hobbies I love to read, spend time with my children, hiking, camping, boating and fishing. I have a clean MVR. I'm organized and plan activities daily indoors and out. I'm great at multitasking but also a great listener. I would love to talk more with you if you'd like. My hours are 6am to 6pm mon through fri.. I am also open to date nights as well... Full time or part time . I look forward to hearing from you.
