I am looking for two MALE roommates (ages 18-22) to share a 1600 sq. ft. twin home in south Laramie. The house is approximately one mile from the classroom building at the University of Wyoming. I am asking \$350 per month. Leases are available. No pets please.

I am a sophomore at the University of Wyoming as a Wildlife Biology Major. I would prefer roommates who are also students. I am very clean and organized, and would like my roommates to show the same respect. My hobbies include hunting, fishing, camping and 4x4 trucks.

If you are interested and think that we will be a good match as roommates, feel free to contact me by email or.
