Hello,

I've been looking for a nanny to hire on a regular basis. I found some but most only work during the day and can't watch kids after 6-7pm. I have two jobs. One in the daytime and one at night.. I'm a newly single mom just trying to get back on me feet.. So I really need someone to start babysitting asap. Tonight if possible. I can go into work at 7. I can meet you anytime and see if your a good trusted fit for my girls and if you like them which I'm sure you will:) One is in kindergarten and the other is 1. Both very sweet and well behaved. You could babysit them from my house or from yours. Call or text asap to schedule a meet and we can go from there.

Thanks!!
